The passport or travel document for Lyndie Mae Lavender from United States of America

Your passport or travel document must be valid, be in good condition, and have at least one blank page for your visa.

If you have evidence of your travel history in a different passport, you may want to submit that with your application.

Your application may be refused if you do not provide your passport. We may also ask you to provide more documents at a later date.

You must provide your documents to our commercial partner. You will be able to upload copies of your documents on our commercial partner's website, or you can take your documents to your appointment to be scanned and uploaded by our commercial partner (there may be a charge involved).

If you choose to pay for the assisted scanning service, all documents (originals or copies) need to be A4 size or you may be charged to make them suitable for scanning.

If we require passports, you must take the originals to your appointment. If you have self-uploaded copies on our commercial partner's website you must still take your original passports, but will not be charged for scanning.

You can provide any document to support your application, but:

- all documents must be in English
- translated documents must be certified
- any passports provided must be the originals
